

ISME 2008

The 5th International Symposium on Management Engineering

Graduate School of Information,
Production & Systems
Waseda University

15 - 17 March 2008
City of Kitakyushu, Japan

ж xÄÉÅx

: This is the fifth anniversary symposium organized by Waseda Management Engineering Research Group to discuss on the present state of arts of "Management Engineering." The symposium is held for promoting researches on the management engineering. The management engineering was renamed from "Industrial Engineering" where the strength is placed on management as well as production in industrial engineering fields. Since Fuzzy Sets were proposed by Lotfi A. Zadeh, the research of fuzzy systems has been done very widely and rapidly. Today, the concept of fuzzy systems is merged and fusion with various concepts and technologies. The Intelligent Computing is intending to employ such methods to deal with words. The symposium is concerning with rather wide range including organization, corporate strategy, project management, management of technology, as well as intelligence, computation, operations research, probability and possibility theories, fuzzy sets, rough sets, approximate reasoning, linguistic information processing and automata, knowledge discovery, clustering and data analysis, fuzzy control and modeling, optimization under uncertainty and its applications, games and decision making, fuzzy analysis, and fuzzy game. We are welcoming all participants to attend and present recent results and discuss on management engineering from the perspective of soft and innovational computing.

Toward Management of Engineering and Technology

Keynote Speech	Dr. Junji Nomura	Executive Vice President, Member of the Board Matsushita Electric Works, Ltd.
Special Lecture	Dr. Dunder Kocaoglu	Professor and Chair, Engineering & Technology Management Department, Portland State University

✓ Submission of your paper

Important Date	Deadline	Note
Invited Papers	15 October 30 November 2007	Pages 6 to 10
General Papers	15 October 30 November 2007	Pages 4 to 8
Acceptance Notification	15 November 30 November 2007	
Camera-Ready Papers	31 December 2007	

✓ Submission to

Prof. Junzo Watada, Chair of International Symposium on Management Engineering 2008
Graduate School of Information, Production and Systems, Waseda University
2-7 Hibikino, Wakamatsu-ku, Kitakyushu, Fukuoka 808-0135, Japan
Phone + Fax : (+81)93-692-5179, Mobile Phone : (+81)90-3464-4929
E-mail: isme@list.waseda.jp
Web Site : <http://www.f.waseda.jp/watada/ISME2008/>

✓ **Papers Presented** at the conference will be selected for publication in: int. J. Innovative Computing, Information & Control (Indexed by SCI), Int. J. ICIC Express Letters.

✓ Sponsored, Cosponsored & Supported by

Management Engineering
