

# ISME 2024

The 19th International Symposium on  
Management Engineering  
October 4-6, 2024 in Matsue, Shimane, Japan.

<http://www.wcicme.com/Intconference/ISME2024/>

## Call for Papers

ISME 2024 will be held with IIHMSP 2024 at Matsue City, Shimane Prefecture on October 4-6, 2024. IIHMSP 2024 is the 20th International Conference on Intelligent Information Hiding and Multimedia Signal Processing. The ISME 2024 is the 19th symposium organized by International Society of Management Engineers. The symposium is concerning with rather wide range including management of technology, operations research, probability and possibility theories, fuzzy sets, rough sets, optimization under uncertainty, and so on. We are welcoming all participants to attend and present recent results and discuss on management engineering from the perspective of soft and innovational computing.

We invite researchers, scholars, and professionals to submit their original research papers and contribute to the academic discourse at ISME 2024. Participants are encouraged to present recent results, engage in discussions, and explore the field of management engineering from the perspective of soft and innovational computing.

## Submission Guidelines

- Original research papers are solicited in the areas of management engineering.
- Papers should be submitted in accordance with the conference guidelines.
- Selected papers will be presented during the conference.

We look forward to your active participation in ISME 2024, contributing to the advancement of knowledge in management engineering and related fields.

For detailed submission instructions and further information, please visit our conference website.

<http://www.wcicme.com/Intconference/ISME2024/>

## Scope

Topics of interest include, but not to limited to:

Big data and data science	Knowledge-based systems
Business process management	Knowledge discovery and data mining
Computer organization	Management engineering and management science
Fuzzy systems and rough sets	Machine learning and deep learning
Fuzzy optimization and decision making	Signal and image processing
Image and speech signal processing	Soft computing
Intelligent information systems	Web services and cloud computing

## Venue: Matsue Terrsa

Address: 478-18 Asahimachi, Matsue, Shimane 690-0003 Japan.

## Important Days

Paper Submission Deadline: ~~May 10, 2024~~ **Extended** ~~June 9, 2024~~ **Extended** **June 16, 2024**  
Acceptance Notification: ~~June 10, 2024~~ **Extended** ~~June 23, 2024~~ **Extended** **June 25, 2024**  
Camera-ready Paper Submission: ~~July 1, 2024~~ **Extended** ~~July 8, 2024~~ **Extended** **July 8, 2024**

## Submission to

<https://easychair.org/conferences/?conf=isme2024>

## Publication and Template

ISME 2024 proceedings will be published by Springer with IIHMSP 2024. Your manuscripts should be 8-10 pages using in length using the Springer Proceedings Template.

<https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines>

In addition, selected papers will be invited to post-conference publications such as Journal of Advanced Computational Intelligence and Intelligent Informatics (<https://www.fujipress.jp/jaciii/jc/>).

*No more Extension*

## Social Events

Friday, October 5, 2024

After lunch, we will gather at the entrance of Matsue Terrsa and depart for an excursion in Matsue City by chartered bus. The banquet and excursions are included in the conference registration fee.

Timings:

14 : 40 Meet at the entrance of Matsue Terrsa for excursion in Matsue City  
After excursion, transfer to Yushien by shuttle bus

18 : 00 Banquet at **Yuushien Garden**

Banquet venue: **Yuushien Garden**

Address: 1260-2 Hanyuu, Yatsuka-cho, Matsue, Shimane 690-1492 Japan

## Organizing Committee

### Honorary Chair

Junzo Watada, Waseda University, Shimonoseki City University, Japan

Jeng-Shyang Pan, Nanjing University of Information Science and Technology, China

Witold Pedrycz, University of Alberta, Canada

### General Chairs

Yoshiyuki Yabuuchi, Shimonoseki City University, Japan

Yoshiyuki Matsumoto, Shimonoseki City University, Japan

### Program Committee Committee

Chair Naruki Shirahama, Shimonoseki City University Japan

T. V. Gopal, Anna University, India

### Publication Committee

Chair Tien-Wen Sung, Fujian University of Technology, China

### Local Organizing Committee

Chair Iori Nakaoka, Shimonoseki City University, Japan
